Financials

Financial summary: 30th June 2022

- Gross income is up 0.6% from last year
- First Valuation gain is recorded since June 2018
- Finance cost is up 6% from last year due to a rising interest rate environment
- Operating expenses are up 23% from last year due to the filling up of vacant space and some direct expenses incurred on those units
- Fund expenses are down 13% from last year, mainly due to no additional provision and lower management fees being charged off a lower NAV.
